

Policy – Work Health and Safety

Policy

1. JET Charge is committed to providing a safe and healthy workplace for all our employees, subcontractors, visitors, and any other persons who enter our workplaces. We refer to all individuals covered by this Policy as 'staff'.
 2. This policy applies to behaviour at work, and behaviour outside of working hours where it relates to or is affected by work.
 3. We are all accountable for fulfilling the responsibilities within this Policy.
 4. JET Charge is committed to:
 - Providing a safe and healthy working condition to prevent injury and ill health.
 - Complying with all legislative requirements and industry standards.
 - Eliminating hazards and reducing health and safety risks by providing and maintaining safe systems of work.
 - Providing relevant health and safety information, instruction, training and supervision to all staff and other persons to ensure their safety.
 - Integration of HSEQ Management System into the JET Charge strategic plans.
 - Consulting and communicating with staff as appropriate and encouraging staff participation in health and safety.
 - Providing support and resources to staff to help them meet their workplace health and safety responsibilities.
 - Continuously improving workplace health and safety including setting and reporting measurable objectives and targets.
 - Actively monitoring and acting on safety, performance, safety systems and high-risk activities.
 5. Each member of staff has responsibilities with respect to workplace health and safety, including reporting health and safety hazards, incidents and near misses. For further details, please refer to the HSEQ Management Manual.
 6. This policy may be reviewed, amended, or withdrawn by us at any time, at our absolute discretion. This policy does not form part of contracts of employment or engagement.
